# OF SERVICE — A SUCCESS

Don't fight the feeling!

Our SCA is patterned after Virginia's state government. We have a governor, lieutenant governor, secretary and treasurer. The General Assembly consists of the Senate and the House of Representatives.

In September we elected our representatives and senators. Six representatives were elected from each house (two from each grade) and three senators from each house.

The SCA held three dances and a Christmas sock hop. We collected bottle caps as a fund raising project.

A faculty-student volleyball game, to which the admission was a can of food, provided Christmas baskets for the needy.

## GEOLOGY CLUB

The purpose of the Geology Club is to give the members field experience related to classroom study. The club members, under the supervision of Mr. Jones and Mr. Mason, have gathered petrified wood, quartz, amozonite, and specimens from various mines in Amelia County.

STUDENT

A collage of black and white photographs of students from the 1960s, arranged in a grid-like fashion. The photos show various students in different poses and settings, including portraits, group shots, and candid moments. The students are dressed in typical 1960s attire, such as sweaters, button-down shirts, and skirts. The collage is titled "STUDENT" in large, bold, capital letters at the top left.
